ALGO GROUP

ALGO Group, con **oltre 40 anni di esperienza**, è l'azienda leader nello sviluppo e nella produzione di alzacristalli e maniglie.

Il gruppo nasce da un'intensa attività di produzione per il primo equipaggiamento (Original Equipment -OE) dedicata alla realizzazione di articoli per i principali costruttori di automobili. Attualmente il core business del gruppo è soprattutto l'Aftermarket, sebbene iil 25% della produzione globale rimane quella di primo equipaggiamento, dove il gruppo è universalmente apprezzato per la **qualità**, la **professionalità** e la **flessibilità** nella **progettazione** e nello **sviluppo**.

Il mantenimento di un elevato livello qualitativo ha permesso al gruppo di ottenere le **certificazioni ISO 9001:2008 e ISO/TS 16949 di primo equipaggiamento (OE)**.

La sede commerciale globale di ALGO Group si trova ad Albavilla ed è affiancata da tre stabilimenti produttivi e da un centro logistico in **Italia**, da uno stabilimento produttivo in **Polonia** e dalla sede NAFTA di **Città del Messico**.

*With **more than 40 years' experience** , the ALGO Group is the aftermarket's leader for the development and production of power windows and door handles.*

ALGO originally started off as an OE manufacturer, supplying all major car makers.

*Nowadays, although ALGO's core business is the aftermarket, the involvement with the OE production still remains in the percentage of up to 25%, which is highly appreciated for its **quality**, **proficiency** and **flexibility** in **design** and **development**.*

*As the high quality level is one of ALGO's main priorities, the company obtained the **ISO 9001:2008 and ISO/TS 16949 certifications for the OE production**.*

*ALGO's headquarters is based in Albavilla, Como, **Italy**, with three production plants also in Italy, one in **Poland** and one facility in **Mexico**.*
